TEG TALENTS

The logo for TEG FOUNDERS is displayed in a stylized, geometric font. The letters 'T', 'E', and 'G' are rendered in red, while 'F', 'U', 'N', 'D', 'E', 'R', and 'S' are in white. The letter 'O' is replaced by a red hard hat icon. The background features faint, intricate line drawings of architectural structures and a large lightbulb on the right side.

TEG FOUNDERS

In all of its work, TEG is dedicated to creating Places of Purpose: holistic sustainable architecture and interior design. that enhances people experience of the world and improves their life targets That is TEG founders mission and value

Eng. Mohamed Ibrahim
TEG Founder & General Manager

I was born in 1981, got a bachelor's degree of architecture in 2003, Ain Shams University. worked for many design firms & famous consultancy offices in both Cairo & Riyadh.

At this time, I always been fueled by the words no, can't, maybe, and not supposed to. I persisted and began to read, learn, consume and implement everything I could in order to increase my experience revenue.

My career has been developed in in both technical fields and promoted from a Junior architect to a senior designer then an Interior design manager in 2009. Finally, a founder and a general manager to this respectful establishment.

“ Design for me is not just a profession, it's a vision”

Eng. Mohamed Elwakkad
TEG Founder & Design Director

I had finished bachelor's degree of architecture in 2003 and pre master degree from Ain Shams, in Cairo Egypt.

Through years of experience, my position has been developed in several reputed consulting companies all connected with gulf area projects ,such as Al Edressi Consultants, Al Zaid Consultants and Ad Engineering .
all kind of computers graphics presentations.

I dedicate to work together with clients and help them achieve the best possible project,one that adds value to the community, and by extension the world.

"Architecture is a view of life, culture, Civilization."
